

# YALE LAUNDRY IS HOST

---

Portland Rotary Club Members  
Guests at Luncheon.

---

Members of the Portland Rotary Club were guests of the Yale Laundry Company at a luncheon at the Hotel Clifford Tuesday, after which they were escorted by R. P. Meyer, manager of the laundry company, who was chairman of the day, on a trip through the East Side plant of the company, to examine at first hand the modern processes of laundering. At the luncheon Mr. Meyer was the speaker, giving an outline of the history and work of the firm he represented.

Resolutions were introduced in the business session and passed, dealing further with the recent attacks made against the Y. M. C. A. by certain publications, renewing the indorsement of the Christian Association and aiming at effective methods to counteract the influences of the slanderous publication against it.
